Selection of an Individual Consultant to Conduct a Study on Insurance and Mitigation Mechanisms Available for Agriculture

Smallholder Agribusiness Partnerships Program (SAPP)

Ministry of Agriculture

Smallholder Agribusiness Partnership Program (SAPP) is implemented under the Ministry of Agriculture and it has been jointly funded by the Government of Sri Lanka and the International Fund for Agricultural Development (IFAD). The SAPP is designed to contribute Sri Lanka's smallholders' poverty reduction and competitiveness. The program development objective is to sustainably increase the income and quality of diet of 57,500 smallholder households involved in commercially-oriented production and marketing systems. The SAPP program is instrumental to achieve GOSL priorities under the national policy framework on rural development through Public, Private, and Producer Partnerships (4Ps).

The ideal candidate should have proven track record in designing and implementing stock taking studies and having good depth of understanding of conducting similar assignment. S/he is expected to have a minimum master's degree in relevant discipline.

Those who are interested can download the TOR through our website www.sapp.lk (please refer "DOWNLOAD" heading and "PROCUREMENT" sub heading to download the relevant TOR).

Please forward your **Technical and Financial** proposal (complete resume with relevant details as per the TOR) on or before **2.30 p.m on 24th May 2021** by post/by hand to reach the following address or you can email your proposals (technical and financial) to procurement@sapp.lk with name of assignment you apply in the Subject Heading of the email.
